Degree	
Degree	Conferred Date
Doctor of Philosophy in Science	2009 March
Name of University	
Osaka University	
Title of Thesis	
Quantum Electrodynamics of Excitons with Radiative Relaxation	
Degree	Conferred Date
Name of University	
Title of Thesis	

Period		Education
From	To	
April 2004	March 2009	Osaka University Graduate School of Engineering Science Department of Materials Engineering Science
April 2000	March 2004	Osaka University School of Engineering Science Department of Electronics and Materials Physics

Period		Academic & Professional Experience
From	To	
January 2021	today	Kyoto University Graduate School of Science Collaborative Associate Professor
January 2021	today	Kyoto University The Hakubi Center for Advanced Research Program-Specific Associate Professor
December 2019	today	Kyoto University International Research Unit of Quantum Information Member
October 2017	March 2021	Japan Science and Technology Agency (JST) Precursory Research for Embryonic Science and Technology (PRESTO) PRESTO Researcher
April 2019	December 2020	Kyoto University Graduate School of Science Program-Specific Junior Associate Professor (JST PRESTO)
April 2015	March 2019	Osaka University Department of Materials Engineering Science, Graduate School of Engineering Science Visiting Academic Staff
April 2015	March 2019	Osaka University Interactive Materials Science Cadet Program Associate Professor
April 2012	March 2015	Japan Society for the Promotion of Science Research Fellow (PD)
May 2009	March 2012	Université Paris 7 & CNRS Post-doc
April 2009	April 2009	Osaka Prefecture University Post-doc
April 2007	March 2009	Japan Society for the Promotion of Science Research Fellow (DC2)
April 2006	March 2007	Japan Science and Technology Agency
September 2005	October 2005	Japan Science and Technology Agency
